

PUBLIC SERVICE ANNOUNCEMENT

Frontiers of Neuroscience: A Lecture Series

UW RELEASE – 2009/168

FOR IMMEDIATE RELEASE – TUESDAY, SEPTEMBER 22, 2009

WINNIPEG, MB – Please run the following public service announcement until November 1, 2009:

In collaboration with the National Research Council and University of Winnipeg Faculty, The University of Winnipeg Division of Continuing Education is offering an exciting new Neuroscience Lecture Series that is open to all, **running each Thursday evening from September 24 - November 26, 2009, from 6:30 pm to 9:30 pm.**

People can register for individual lectures at \$25 each, or register for the whole series of 10 lectures for the discounted rate of \$225.

Listen to experts discuss their latest work in the field of neuroscience. Discover for yourself how basic science contributes to society. Hear the latest buzzwords explained. Participate in the Q&A session following each lecture.
