

LutherCare Communities is Seeking a Nominee for the Corporate Board of Directors

LutherCare Communities (LCC), a faith-based organization celebrating more than **60 years of service** to the community, is seeking an individual to complete a Board term on its 12-member corporate board of directors. The primary function of the corporate board is to provide governance and strategic direction to the organization. LCC has over **1100 residents** in its care and over **500 employees** in:

- Seniors' housing in Saskatoon, Outlook, and Estevan
- Long-term care
- Intermediate care homes
- Group homes
- Home Help program
- Commercial leases

Operating budget of approximately \$40 million annually is a combination of funding from Saskatoon Health Region, Saskatchewan Housing Corporation, Social Services, and fees for services.

The Board meets six times per year. In addition, board members are expected to serve on two board committees, with meetings as required throughout the year. LCC is a non-profit organization; and, therefore, board participation is strictly voluntary. There is also a for-profit arm of the organization governed by two separate boards of directors.

Candidate Qualifications:

- Do not need to be a member of the Lutheran church (ELCIC), but must be dedicated to LCC's mission of providing excellence in care, shelter, and support in a nurturing Christian environment for all entrusted to our care and to its vision of "Dare to Care: Building healthy, faith-based caring communities."
- Strong preference for CPA / CA qualifications.
- Experience in policy governance and setting strategic direction would be an asset.
- A current criminal record check is required.
